Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SECRETS OF ALL SECRETS (PAPERBACK)

Touchpoint Press, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Zane, a seminary and grad school dropout, obtains a USB drive left by a cloaked figure on a bridge in the middle of the night. The drive's content offers Zane "The Secrets of All Secrets"-a tantalizing proposal for someone who has nothing left to lose. Following the drive's directions, Zane heads to Florida where he encounters Dali, a poor waitress who received an identical USB. Initially clashing, they band together, taking a chance that The Secrets are genuine as they receive more instructions from their USBs. Four conflicted government operatives; an extremely tall corporate executive with an extremely short, scholarly hit man in tow; and two crackbrained, fringe-element, anti-government separatists are after The Secrets-and are all willing to kill to get them. Zane, Dali, and their pursuers encounter an armadillo festival, visit a nudist resort, and hang out with a presumed dead '60s rocker. Pandemonium occurs at each venue with Zane and Dali one step ahead of everyone. that is, until all parties convene for a climactic confrontation over The Secrets.
